**Re: Albion/Sheridan Township Landfill****Dear Frank:**

During our telephone conference last week, the issue came up as to whether we could insert the word "environmental" in front of the word "claims" in paragraph 106 of the draft Consent Decree. I have reviewed the matter with my clients and they do not object. Accordingly, you may redraft paragraph 106 to read as follows:

Settling Defendants agree to dismiss the Third-Party Complaints, Counter-claims and Cross-claims filed herein for contribution, and covenant not to sue each other and agree to waive all environmental claims and causes of actions against each other (except for claims to enforce obligations under this Consent Decree), for matters addressed herein relating to the Site. . . . .

If you have any questions, please call.

Very truly yours,

Melvin G. Moseley, Jr.
